THE CAYMAN ISLANDS GAZETTE INTELLECTUAL PROPERTY EDITION: the official newspaper of the Cayman Islands Intellectual Property Office is published fortnightly on Mondays. The next issue (20/26) will be published on Monday, 28th September 2026.

TRADE MARKS

Applications for Registrations

Trade Mark was registered in the Cayman Islands

On: 14 October 2025

No: T0004565

Word/Mark:

Class List:

- **16 for** Paper, cardboard and goods made from these materials, not included in other classes; printed matter; bookbinding material; photographs; stationery; adhesives for stationery or household purposes; artists' materials; paint brushes; typewriters and office requisites (except furniture); instructional and teaching material (except apparatus); plastic materials for packaging (not included in other classes); printers' type; printing blocks, calendars, postcards, wall map calendars, notepads, travel guides, writing paper, envelopes, date books, paper pennants, paper drinking coasters, writing instruments, restaurant guide books, letter openers made of metal, pen shields.
- **35 for** Advertising; business management; business administration; office functions; providing office equipment, machinery and a professional support staff to assist in the conducting of office business and conferences and in the management of travel plans; providing facilities in the form of a private club for conducting business, meetings and conferences; operation of loyalty programs; promotional services, namely, advertising of third party services to members of a loyalty program; business administration services, namely, membership club services in the field of travel and transportation; providing incentive award programs through issuance and processing of loyalty points, the distribution of prepaid stored value card, and promotional codes, coupons, and other discounts for participants in a loyalty program for making purchases within a website or application; providing loyalty points for participants in a loyalty program for making purchases within a website or application.
- **36 for** Insurance; financial affairs; monetary affairs; real estate affairs, providing financial services within facilities in the form of a private club for members; bank card, credit card, debit card and electronic payment card services; loans and debit card services; financial exchange services relating to tokens of value (not being legal tender); electronic commerce payment service that enables consumers to earn loyalty points, reward points and miles for purchases and other uses of the cards and payment service and that enables consumers to use loyalty points, reward points and miles to make online and offline purchases, in whole or in part, of goods and services; electronic commerce payment service that enables consumers to use loyalty points, reward points, and miles; all in the field of travel or loyalty programs.
- **39 for** Transport; packaging and storage of goods; travel arrangement, air transport of passengers, cargo and freight; luggage storage; travel management in the nature of the coordination, organisation, and facilitation of transportation services; travel information, advice and reservation services; escorting of travelers; booking of seats for travel; car parking; vehicle rental; chauffeur services; transportation logistics; transportation of luggage; handling of passengers luggage; freight transportation; cargo transportation; freight and cargo services; transport of packages; transportation check-in services; transport information, advice and reservation services; agency services for arranging the transportation of travelers; cruise reservation services; tour reservation services; seat reservation services for travelers; priority airline check-in services; priority

boarding, check-in, seating and reservation services for frequent air travelers; holiday travel reservation services; managing travel itineraries; aircraft rental; passenger baggage checking and handling; passenger ticketing, check-in and boarding services; providing ride share vehicle rental services, limo rental and reservation services, and airport transfer reservation services; arranging and booking helicopters, cruises, boats, rail, rental cars and other motorized vehicles, bicycles, transport for excursions, transport for adventure activities and transport for eco-tourism; providing information concerning passengers' luggage in transit and delivery; airport services; booking of checked baggage and travel upgrades; provision of airport services featuring transit lounge facilities; providing ancillary air transportation services featuring seat selection services, carry-on baggage transport services, in-flight headphones, air transportation service upgrades.

- **43 for** Providing office facilities in the form of a private club for conducting business, meetings and conferences, providing lounge facilities in the form of a private club for conducting business, meetings and conferences; food and drink catering; restaurant services; café services; bar services; rental of meeting rooms; hotel reservations; bistro services; catering; coffee shop services; providing event facilities and temporary office and meeting facilities; snack bar services; club services for the provision of food and drink; private members dining and drinking club services; accommodation information, advice and reservation services; restaurant reservation services; temporary accommodation information, advice and reservation services; information, advice and reservation services for the provision of food and drink; provision of general-purpose facilities for business, meetings and conferences; provision of airport services featuring transit lounge facilities; provision of airport transit lounge and shower facilities for passengers; providing ancillary air transportation services featuring in-flight food and beverage services; airport lounge services being providing temporary accommodation; airport lounge services being booking and reservation of meeting rooms; airport lounge services being the provision of food and drink.
- **45 for** Security screening of baggage; personal shopping for others; concierge services; airline passenger security screening; airport security services in the nature of facilitating expedited passenger screening, namely, providing priority access to airline passenger and baggage security screening; personal concierge services for others for making requested personal arrangements and reservations and providing customer-specific information to meet individual needs.

Date of Expiry: 14 October 2035

Proprietor: American Airlines, Inc.
1 Skyview Drive
Fort Worth, Texas 76155
United States of America

Agent: OGIER
89 Nexus Way
Camana Bay
Grand Cayman KY1-9009
Cayman Islands

Oppositions to, or observations in respect of, the above-cited application, whose number on the Register is T0004565, should be submitted not later than the 13th day of November 2026.

Trade Mark was registered in the Cayman Islands

On: 27 January 2026

No: T0004720

Word/Mark: **OWN WHAT'S NEXT**

Disclaimer: No claim is made to the exclusive right to use “OWN” apart from the mark as shown

Class List:

- **35 for** Relocation services for business; business operation consultancy and management of wireless communications towers, broadcast satellites and cable networks; business operation consultancy and management of water and waste water treatment and reprocessing facilities; publicity and sales promotion services, namely, publicity of energy, namely, electricity, for third parties; business management services relating to energy assets, namely, acquiring, merging, and managing oil and gas properties, pipelines and storage facilities; management of leases related to oil, gas and pipelines; business management related to the storage of oil, gas and pipelines}; business management of timber properties; forestry business management services; forestry management consulting services; business management consultancy and advisory services; business management consultancy and advisory services in the field of risk analysis, risk management, risk transfer, financial services, insurance and reinsurance and assurance services; business advisory services and data analytics services, namely, data compiling and analyzing in the fields of insurance, risk management, insurance brokerage, reinsurance, and reinsurance brokerage; compilation of information relating to financial data; providing analysis of market research statistics to assist insurers and payers in the field of data analytics; business operation consultancy for electrical power generation plants and distribution and transmission facilities; sales promotion and marketing of electrical power for the benefit of third parties in the nature of promoting the services of businesses engaged in the distribution of electrical power on behalf of third parties; providing business administration and management services for electrical power generation, distribution and transmission facilities, including for the benefit of third-party owners thereof; retail electricity provider services, namely, providing a service that allows customers to purchase electricity; marketing services for distributors of electrical power, namely, energy services companies; administration of a program for enabling participants to obtain discounts on energy services through earning renewable energy credits; wholesale services of electrical power for the benefit of third parties; business consultancy in the field of machine learning and artificial intelligence; business administration consulting services in the field of artificial intelligence; compilation and management of business data for artificial intelligence (AI) development; consultancy, advisory and information services relating to the aforesaid services
- **36 for** Asset management services; financial services, namely, asset management services including management of funds and investments with respect to assets including properties, power generation and other infrastructure assets, technology, data and artificial intelligence systems; financial management; investment services; investment management services; investment services in the field of real estate, infrastructure projects, energy infrastructure, real assets, technology, data and artificial intelligence systems, real asset debt, funds, securities, stocks, equity and commodities; investment advice; financial advice; financial advisory services; financial and investment advisory services rendered using artificial intelligence (ai); investment advisory services in the fields of real estate, securities, stocks, equities, commodities and investment management; financial services, namely, financial investments in the fields of commodities investment notes, real estate and securities; investment management in water and waste water; financial research; investing of funds in oil and gas pipelines and storage; investing of funds in wireless communication towers, broadcast satellites and cable networks; investing of funds in technology, data and artificial intelligence systems; investment and merchant banking services, including acquisition and disposition financing, capital and debt investing; real estate financial advisory services; financial management of investment portfolios, joint ventures and single assets; operation management of investment funds; financial investment services in the fields of real estate, infrastructure projects, energy infrastructure, real assets, real asset debt, credit, debt,

private equity, stocks, equity, commodities, investment notes, securities and technology, data and artificial intelligence systems; financial investment in securities; securities brokerage services; securities lending; trading of securities; financial research, namely, conducting research in the field of financial investments and securities; management of portfolios comprising securities; financial analysis and research services; financial investment services for financial institutions, pension plans, insurance companies, for-profit and charitable foundations, endowments, sovereign wealth funds and high net worth investors; real estate, stocks, equities and commodity investment advice services; investment management in real estate; investment management in commercial, institutional, industrial and residential real estate; investment management in oil and gas pipelines and storage; investment management in wireless communication towers, broadcast satellites and cable networks; investment management in the field of technology, data and artificial investment systems; consultancy, advisory and information services relating to the aforesaid services; financial investment in structured products, namely, investment in collateralized loan obligations and investment in structured products, namely, investment in credit-linked notes; private equity fund management, credit fund management, and debt fund management; securities underwriting and underwriting of debt capital markets products; financial services relating to public and private placement of securities and derivatives for others; financial investment advisory services; financial restructuring services; financial advice relating to mergers and acquisitions and execution; project financing; financial services, namely, raising debt and equity capital for others; consultancy, advisory and information services relating to the aforesaid services; financial affairs management and private equity fund investment services; financial investments in the fields of private equity; financial management in the field of investment funds, private equity products, real estate and infrastructure; financial services relating to the placement of private equity funds for others; investment services for acquiring majority equity interests from shareholders in private companies for the purpose of obtaining a majority control ownership position; management of private equity funds; private equity capital investment services in the field of natural resources, properties, power generation and other infrastructure assets, technology, data and artificial intelligence systems; financial management; private equity financing; private equity fund investment services; providing venture capital through private equity and venture investing; providing private equity and investment funding; consultancy in the field of private equity investment; consultancy, advisory and information services relating to the aforesaid services; wealth management services; investment services for product marketing, distribution and sales, including product wholesaling and direct product marketing and distribution arrangements to other financial intermediaries and financial services firms and their end investors and the production, dissemination and disclosure of marketing and related product information and investor support; consultancy, advisory and information services relating to the aforesaid services; real estate management services; real estate leasing; real estate leasing services for commercial, institutional, industrial and residential properties; real estate brokerage services; real estate investment; managing real estate; managing commercial, institutional, industrial and residential real estate; financial consultancy, namely, preparing budgets and monitoring budgets in the fields of commercial, institutional, industrial and residential building projects, infrastructure building projects and energy property building projects; consultancy, advisory and information services relating to the aforesaid services; indemnity insurance services; actuarial services; annuity underwriting; financial administration of annuity services; financial administration of life income funds and life income retirement funds; financial administration of retirement income funds; retirement investment planning and advisory services; insurance and reinsurance services; provision of property and casualty insurance; provision of underwriting and insurance claims administration in the field of property-casualty insurance; insurance services related to property insurance; insurance services related to casualty insurance; insurance services, namely, writing property and casualty insurance; providing advice in the field of property and casualty insurance; financial risk management services; financial and monetary business services, namely, asset management for insurance companies, cash management, reporting, securities lending, investment consulting, asset liability management, integrated risk management, investment and funds management services, comprehensive risk management services focusing on assets and liabilities including combining insurance and reinsurance services with derivative financial instruments, and real estate services; insurance underwriting; insurance agencies; insurance actuarial services; financial evaluation for insurance purposes; assessing insurance claims and insurance claims processing; providing insurance information and insurance consultancy; consultancy, advisory and

information services relating to the aforesaid services; investment services in the field of electrical power generation, distribution and transmission facilities; capital and equity investment in infrastructure, namely, electrical power generation plants and distribution and transmission facilities; financial investments in the field of electrical power generation, distribution and transmission facilities; real estate acquisition services, namely, acquisition of electrical power generation, distribution, and transmission facilities; Investment services, namely, asset acquisition, consultation, development, and management services in the field of electrical power generation, distribution, and transmission facilities; asset management services, namely, development of real assets for generating electrical power from renewable energy source; commodity trading in the nature of energy trading; financial and asset management services, namely, management of renewable energy credits; commodity trading, namely, trading of energy as a commodity; renewable energy credit trading, namely, trading of carbon dioxide and greenhouse gas emission credits, allowances, or offsets of others; issuance of greenhouse gas emission credits, allowances, or offsets; financial and asset management of customer energy solutions, namely, energy management, demand side management, energy pricing products, energy services and behind the meter electrical installations; investment advisory and management services, namely, asset acquisition, investment consultation, development and investment and asset management in the field of energy efficiency in power generation and maintenance; investment advisory and investment management services in the field of the development and management of building energy infrastructure upgrades and retrofits and in the field of financing the purchase of energy efficiency equipment related to heating and cooling, lighting, and control systems; wholesale electricity brokerage services; financial evaluation of standing timber; consultancy, advisory and information services relating to the aforesaid services

- **37 for** Real estate development; residential and commercial land development [construction]; building services; construction services; building construction services; building maintenance and repair; custom construction and building renovation; construction management services; developing and building real estate; developing and building commercial, institutional, industrial and residential real estate; construction project management services including coordination and oversight of construction projects; construction consultation services; developing, and building in commercial, institutional, industrial and residential real estate; real estate development services; developing and building oil and gas pipelines and storage; development and building of oil and gas properties; developing and building wireless communication towers, broadcast satellites and cable networks; developing and building water and waste water installations and structures; developing and building energy buildings, properties, structures and installations including hydroelectric plants; development and construction of industrial real estate and infrastructure, namely hydroelectric power plants, transmission lines, nuclear power plants, geothermal power plants, solar power plants, wind power plants, natural gas cogeneration plants, electricity and steam plants; maintenance of power generation facilities and infrastructure; consultancy, advisory and information services relating to the aforesaid services
- **38 for** Management and operation of wireless communication towers, broadcast satellites and cable networks; consultancy, advisory and information services relating to the aforesaid services
- **39 for** Utility services, namely, transmission and distribution of electricity; utility services, namely, transmission of electricity and electric power; energy storage services, namely transmission and distribution of electrical energy, hydroelectric energy, solar energy, wind energy and energy generated from natural gas cogeneration plants and steam plants; transmission of oil or gas through pipelines; storage of oil and gas; distribution of water; supply of water; water distribution; distribution of energy; distribution of electricity; transmission of energy; transmission of electricity; distribution of electrical energy to residential and commercial users; distribution of solar energy to residential and commercial users; distribution of wind energy to residential and commercial users; distribution of hydroelectric energy to residential and commercial users; distribution of hydrogen energy to residential and commercial users; storage, distribution, transportation and delivery of gas and electricity; operation of electrical power generation plants and distribution and transmission facilities, namely the transmission and distribution of electrical power, transmission and distribution of electricity to residential and commercial users; consultancy, advisory and information services relating to the aforesaid services

- **40 for** Timber logging; energy generation; energy production; electricity generation; generation of electrical energy, hydroelectric energy, solar energy, wind energy and energy generated from natural gas cogeneration plants and steam plants; management and operation of water and waste water treatment and reprocessing facilities; production of energy by power; Generation of electrical power through operation of power generation equipment and facilities including for the benefit of third party owners; leasing of solar panels for the production of electricity; consultancy, advisory and information services relating to the aforesaid services
- **42 for** Scientific and technological services and research and design relating to the building, engineering, infrastructure and construction industry; construction planning services; engineering drawing services; architectural services; architectural consulting services; design services; construction drafting services; construction planning services; land surveying services; architectural design and planning services; building design services; civil engineering design services; construction design services; construction drafting; surveying of real estate; geological surveys; town planning; development of construction projects; architectural services relating to land development; architectural design for interior and exterior decoration; architectural project management; architectural services for the design of industrial buildings and commercial buildings; civil engineering consultancy; commercial design services; commercial interior design; design of hotels, industrial buildings, commercial buildings and residential buildings; design planning; design services relating to real estate; planning in relation to town planning and commercial town planning; preparation of architectural designs, plans and reports; preparation of reports relating to design, architecture real and estate planning; surveying of land; town planning advisory and consultancy services; urban design; urban planning; advisory services relating to building design, interior design, architecture and planning applications; energy efficiency and sustainability advisory services; advisory, consultancy, and auditing services relating to or in the fields of energy efficiency, energy use, energy saving, energy sustainability, and environmental sustainability; scientific and technological services in relation to waste, recycling, energy, and water treatment; quality evaluation of standing timber; industrial analysis and research services in the field of insurance and reinsurance; software as a service (SAAS), namely non- downloadable computer software for the integration of artificial intelligence and machine learning in the field of Big Data for business data analytics and user behavior analytics; research in the field of artificial intelligence technology; Infrastructure as a service (IAAS) in the field of cloud computing; infrastructure as a service (IAAS) in the field of quantum computing; infrastructure as a service (IAAS) provider for hosting servers for use by others; infrastructure as a service (IAAS) services offering computer software platforms for syncing, storing, archiving, and backing-up data to cloud servers; infrastructure as a service (IAAS) and technical support services for power management of data centers, heat management of data centers, energy management of data centers, cooling management of data centers, HVAC management of data centers, power grid management of data centers, localized grid management of data centers, battery storage and management of data centers; platform as a service (PAAS) offering software for executing cloud computing based applications; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for implementing and deploying artificial intelligence, machine learning, deep learning and neural network algorithms, models and technology; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for training, management, deployment, testing, operation and maintenance of artificial intelligence models, artificial intelligence, machine learning, deep learning, natural language generation, statistical learning, supervised learning, un-supervised learning, data mining, data acquisition, data analysis, data integration, predictive analytics, inference computations, agentic artificial intelligence, artificial intelligence agents, large language models, small language models, diffusion models, multimodal artificial intelligence, business intelligence, computer vision, advanced visualization, image generation, video generation, voice generation, text generation, scientific data generation, financial data generation, industrial data generation, infrastructure data generation, medical data generation, Artificial General Intelligence (AGI), Artificial Narrow Intelligence (ANI), and Artificial Super Intelligence (ASI); infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for processing data, images, graphics, audio, video, and text; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for high performance computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for distributed computing; infrastructure as a service (IAAS), platform as

a service (PAAS), and software as a service (SAAS) for edge computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for on-premise computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for virtual machines; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for data pipelines; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for data storage including data lakes, graph databases, data containers, and data pipelines; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for connection of application programming interfaces (APIs); infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for quantum computing; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for facilitating data transmission, data collection, data analysis, and decision-making; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for simulation, modeling and data processing for use in data visualization, data analysis, data mining, data interpretation, predictive analytics, prescriptive analytics, accessing and editing large-scale data, interactive visual computing, video streaming, design of information graphics, and maximizing graphics processing and performance; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for general purpose computation, manipulation of collections of data, data analysis, image content analysis, video content analysis, information analysis, data transformation, data input and output, communications, speech recognition, graphics display, modeling and testing for use in the fields of artificial intelligence, deep learning, high performance computing, distributed computing, virtualization and machine learning; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for data management, analytics and pattern and activity recognition; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for the integration of artificial intelligence and machine learning in the field of Big Data for business data analytics and user behavior analytics; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for the integration of artificial intelligence and machine learning in the field of robotics; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for creating, analysing and running programs for quantum algorithms; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for creating, analysing and running programs for quantum computers; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for creating, analysing and running programs for quantum simulations; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for optimizing power, performance and cost for computing services, and delivering computing services at scale; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for advanced cloud computing functions in the nature of machine learning, optimizing power, performance and cost for cloud computing services; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) for operating semiconductors, computer chips, graphic processing units, tensor processing units, and central processing units; infrastructure as a service (IAAS), platform as a service (PAAS), and software as a service (SAAS) featuring software development tools for writing, building, running, testing, debugging, deploying, and storing software code, releasing and providing continuous delivery of software code, developing, deploying, analyzing, and debugging applications, and cloud infrastructure modeling; providing non-downloadable computer software development tools in the field of artificial intelligence; providing non-downloadable computer software development tools for use in modeling in the field of artificial intelligence; providing online non-downloadable computer software for use in testing in the field of artificial intelligence; providing online non-downloadable computer software for quantum computing; providing online non-downloadable computer software for data centers; software as a service (SAAS) for deploying public and private cloud computing environments in the field of infrastructure as a service (IAAS); Computer security consultancy for computing including cyber security, fire walls, authentication, verification, authorization, encryption, decryption, security key management, security token management, and data monitoring; technical support services, namely, remote and on-site infrastructure management services for monitoring, administration and management of cloud computing applications and data centers; off-site data backup services; providing online non-downloadable software for facilities and operational management for data centers; providing online non-downloadable software for supply and management of power for data centers;

design and development of software, databases, web services and cloud computing infrastructure; monitoring and maintenance of data center network systems; leasing of data center facilities; rental of space in a computer co-location data centre infrastructure facility for others; rental of decentralized cloud storage facility for containerized data centers of others; rental of data center facilities; rental of space in a computer co-location facility for containerized data centers of others, namely rental of space in a facility that provides space, power, cooling, and physical security for computer servers, computer hardware, and computing networking equipment; consultancy, advisory and information services in the field of cloud computing networks and applications; consultancy, advisory and information services in the field of deploying cloud storage environments in the field of infrastructure as a service [IAAS]; consultancy, advisory and information services in the field of deploying cloud computing environments in the field of infrastructure as a service [IAAS]; consultancy and research in the field of quantum algorithms; consultancy and research in the field of quantum computing; artificial intelligence consultancy; computer technology consultation in the field of machine learning and artificial intelligence; technical consulting in the field of artificial intelligence (AI) software customization; consultancy, advisory and information services relating to the aforesaid services

Date of Expiry: 27 January 2036

Proprietor: Brookfield Office Properties Inc.
Suite 100, Brookfield Place
181 Bay Street
Toronto, Ontario M5J2T3
Canada

Agent: KSG ATTORNEYS AT LAW
P. O. Box 2255
One Capital Place, 4th Floor
Shedden Road
Grand Cayman KY1-1107
Cayman Islands

Oppositions to, or observations in respect of, the above-cited application, whose number on the Register is T0004720, should be submitted not later than the 13th day of November 2026.
