

Instructor: Gamification - Assigning Badges to Courses and Learning Paths

Gamification Elements

Gamification includes 4 elements:

1. **Levels:** 5 levels are available, to mark learners' invested effort in eLearning
2. **Badges:** the visual element of achievement and participation for learning, activities and levels
3. **Activities:** actions which mark learners' engagement
4. **Leaderboards and Widgets:** to share learners' achievements across the portal

Automatically Assigned Badges

The following badges are automatically assigned to learners:

Activity Badges

- Approved External Credit (Learning Outside the box)
- Self Enrolls (Hungry for Knowledge)
- Views a Resource (New Resource=New Ideas)
- Daily Learning (Daily Learning)

Level Badges

A new badge is automatically assigned once learners reach the level points.

- Level 1: Star Forming - 0-799 points
- Level 2: Protostar - 800-1799 points
- Level 3: Rising Star - 1800-2999 points
- Level 4: Shining Star - 3000-4499 points
- Level 5: Superstar - 4500+ points

Assigning Completion Badges to Courses and Learning Paths

Once your course/learning path aligns with the rules above, to assign a completion badge:

1. Within the **Info** page of the course/learning path, click on the **Learning Badges** tab
2. Click in the **Add Learning Badge** space
3. Select the badge from the drop-down **Badge Awarded** field
4. Click **Save**.
